

RUNNING ON WAVES

WELCOME ABOARD

Luxury Boutique Sailing Cruises
Mediterranean

ABOUT US

We are a boutique luxury sailing yacht launched in 2011, designed for intimate cruises and private experiences at sea.

Our vessel combines the elegance of a traditional tall ship with modern comfort, curated itineraries, and personalized service for small groups.

A woman is relaxing in a hot tub on the deck of a yacht. The hot tub is filled with bubbling water, and the woman is lying back, enjoying the view of the blue ocean. The yacht's deck is made of wood, and there are metal railings and ropes visible. The background shows the vast blue sea under a clear sky.
